stem.northeastern.edu/bb

*"THE BUILDING BRIDGES PROGRAM
OPENED MY EYES TO THE WIDE VARIETY
OF ENGINEERING CONCENTRATIONS AND
AREAS OF RESEARCH. I THOROUGHLY
ENJOYED THE HANDS-ON ACTIVITIES AND
THE OPPORTUNITY TO EXPLORE THE
ENGINEERING LABS AROUND CAMPUS!"*

ABOUT THE BUILDING BRIDGES PROGRAM

- Bi-annual event to provide high school students with the opportunity to explore Northeastern University's College of Engineering
- Full day of interactive engineering activities to help students understand the various engineering disciplines, led by COE faculty and students from all of the engineering departments
- Introduction to research programs and initiatives at Northeastern
- Overview of potential career paths and higher education options
- Networking opportunities to meet and talk with current University students and faculty members
- Interactive lunch session with industrial engineering challenges

ADDITIONAL INFORMATION*

- Breakfast and lunch included with registration
- Group visits and school trips welcome - contact for special arrangements
- Opportunities for parents and families to explore the campus and city of Boston during the day while students are participating in the program
