

National Engineers
Week 2020

Pioneers of Progress

February 15-21

Engineering For Everyone Expo at Northeastern University

We welcome all aspiring scientists, engineers, and inventors to **Be Inspired** at the Engineering Expo in celebration of National Engineers Week. Families, parents, children are all invited to join us! Learn more about engineering through a variety of activities, experiments, and demonstrations. Meet students pursuing engineering pathways at Northeastern University and have a great time learning new things!

Where: Northeastern University's Curry Student Center McLeod Suites (3rd Floor)

When: Friday, February 21, 2020 (10:00am—12:00pm)

Pre-registration: <https://stem.northeastern.edu/events/eee/>

Activities will be led by representatives from a variety of our engineering student clubs and organizations: FirstByte, AerospaceNU, AIChE, ASCE, IEEE, and more.
