

Building Bridges

Fall 2026

Early College Experience for High School Students Interested in Engineering

Program Details

**Friday,
December 4, 2026**

Check-In 8:45 - 9:00 am
Ends at 2:00pm

@ Northeastern
University
Egan Research Center
For High School
Students Interested in
Engineering
\$25 Registration Fee

About the Building Bridges Program

- Annual event to provide high school students with the opportunity to explore Northeastern University's College of Engineering
- Full day of interactive engineering activities to help students understand the various engineering disciplines, led by COE faculty and students from all of the engineering departments
- Introduction to research programs and initiatives at Northeastern
- Overview of potential career paths and higher education options
- Networking opportunities to meet and talk with current University students and faculty members
- Interactive lunch session with industrial engineering challenges
- Opportunities for parents and families to explore the campus and city of Boston during the day while students are participating in the program
