

Northeastern University  
**Michael B. Silevitch and  
Claire J. Duggan Center  
for STEM Education**

# Center for STEM Education

## *Volunteer Opportunities*

Throughout the year, the Center for STEM Education hosts and/or supports various events here at Northeastern University.

These events (sample at right) are made possible by great volunteers. Please see our website for more info.

to Volunteer

### Upcoming Activities:

- **STEM Field Trips**

Help visiting 4th-8th grade students with hands-on activities, such as Paper Rockets, Catapults, Wind Turbines, etc.

- **STEM Expos**

Hands-on, tabletop activities with visiting K-12 students, such as Paper Circuits and Hurricane Towers

- **One-time events**

Help out at other events such as Building Bridges, Science Fair, Engineering Explorations, and more.
