

Summer Stuff 2018

FOR MIDDLE SCHOOL AND HIGH SCHOOL STUDENTS IN THE BOSTON PUBLIC SCHOOLS

Good old summertime...

Sure, it's winter now... but summer is on the way, and the time to make your summer plans is NOW. Will you be looking for a job? Many of the best ones have early application deadlines. What about a high-quality academic program, internship, or volunteer program? You may need to write an essay and get letters of recommendation from a teacher or adult mentor, and that can take time. There are a lot of great things to do in and around Boston. You could get a job, take dancing lessons, learn to sail or play golf, act in a play, volunteer at a museum or homeless shelter, plan for college, intern in a science lab or on a farm, and go to free concerts and films. (You could even work on your math skills...)

Need ideas? **Summer Stuff 2018** is full of good ideas. (We've even thrown in some ideas for this spring and next school year.) Read it through, circle the ones that interest you, then visit their websites or call. They're waiting to hear from you. Most of these programs can be found at **PartnerBPS.org**. Use the search engine to find exactly what you want. Next, apply—*now*. In many cases, you can apply online or print an application from the website. Don't be put off by the cost of some programs. Many have scholarships, and they are looking for Boston students. In fact, some programs are *only* for students who go to the Boston Public Schools. Good luck—and have a great summer!

What to Look For in a Summer Camp or Program

After you have picked the camps or programs that work best with your schedule and would be most interesting to your child, get more information about them. Call each camp and ask a lot of questions.

Some questions to ask program and camp staff:

- Is the camp or program accredited or licensed? If so, by whom? If not, why not?
- What training does camp staff receive on safety, supervision, counseling, problem solving, and other issues unique to working with young children?
- Does the price include everything, or are there extra charges for transportation, food service, overnights, registration, clothing, etc.?
- If transportation is provided, what are the specifics?
- If before and after camp activities are offered, who is with the children and what will they be doing?
- Are there competitive activities (such as team sports)? Is your child comfortable with the level of competition?
- How can parents stay in touch with their children during camp? Are phone calls or e-mail allowed?
- How does the camp meet campers' special dietary or physical needs?
- Is there an open house before camp starts so parents can tour the camp and meet the director?
- Are there visiting days?

Plan ahead for college.

Summer is a great time to learn about careers and colleges, and Boston has great (and air conditioned) places to do just that: American Student Assistance (ASA) College Planning Centers at the Boston Public Library in Copley Square and in many neighborhoods. They have everything you need to make career and college decisions:

information on thousands of colleges, universities, and technical/vocational programs; counseling on choosing a school and paying for it; help completing admission and financial aid applications; computerized college, career and scholarship search systems; and much more. Help is available in several languages. And it's all free.

Check their website for tons of resources.

If you go to the Boston Public Schools, you are eligible for financial aid and many scholarships. Every BPS high school has a **uAspire** advisor who can help you find funding for college. Contact uAspire at 617-778-7195 or visit their website: **uaspire.org**

CITY YEAR

City Year is a FULL TIME program whose mission is to help students reach their full potential and significantly increase the nation's high school graduation rate. This is an opportunity for 17- to 24-year-olds to work for 11 months with students in an elementary, middle, or high school in Boston (or in 25 other cities in the US) by being a tutor, mentor, and role model. The day of a City Year AmeriCorps member is spent tutoring students who are at risk of dropping out of high school, running after school programs, and supporting teachers in the classroom.

If you are accepted, you will be paid a biweekly stipend, receive basic health insurance, receive an MBTA pass, and earn a \$5,920 Segal Education Award when you complete the program. City Year alumni are also eligible for scholarships of 25%-100% of tuition for at over 190 participating

colleges and universities.

City Year strongly encourages you to talk to a recruiter before you apply.

For..... Ages 17-24, U.S. citizen or legal resident, and have a high school diploma, college degree, or GED

How to get an Employment Permit.

Are you planning to get a job this summer? Keep in mind that you must have an Employment Permit, sometimes called "working papers." The first step is to find an employer who is willing to hire you. Next....

IF YOU ARE 14 OR 15:

1. Get a white Promise of Employment Card from your **guidance counselor/student support coordinator or your school's main office**.
2. Take this card to your doctor's office or health center and have a doctor or nurse sign and date it. If you have not had a physical within the last year, make an appointment to have one. If you have had a physical in your school within the last year, your school nurse can sign and date the card.
3. Take this card to the prospective employer to fill out, sign, and date.
4. Take your Promise of Employment Card back to your guidance counselor/student support coordinator or main office and ask for an Employment Permit. It is also white, but larger than the Promise of Employment Card.
5. Fill out the Employment Permit and have your parent or guardian sign it on the back.
6. Once your parent or guardian has signed it, bring the completed Employment Permit to your employer.

IF YOU ARE 16 OR 17:

1. Pick up a yellow Educational Certificate from your **guidance counselor**. Have him or her fill it out and sign it.
2. Return the Educational Certificate to your employer.

DURING SCHOOL VACATIONS AND THE SUMMER:

You can also get a Promise of Employment Card or Educational Certificate from any BPS Welcome Center or the BPS Office of Guidance Services. The Office of Guidance Services is located in the Boston Latin Academy building, 21 Deakard Street, Suite 3, Dorchester, telephone 617-635-8030. You must come in person and bring one of the following form of identification: birth certificate, social security card, passport, permanent resident card, learner's permit, driver's license, Mass. ID, Mass. health card, or student ID, health insurance card, or. Also, bring the name and address of your employer.

School year office hours: M-F, 2 - 4 PM

Summertime office hours: M-F, 9 am - 3 PM

Get a PIC summer job.

Are you looking for a summer job? If you go to the Boston Public Schools, you're lucky. The **Boston Private Industry Council (PIC)** has been finding great summer, after-school, and after-graduation jobs for BPS high school students for over 20 years.

If you are a high school student in good standing, see the PIC career specialist at your school to learn about jobs, internships, resume writing, and much more. The PIC career specialist will ask you to complete an application and will help you land a good summer job. PIC career specialists can also help with your college and career search, or connect you with non-BPS alternative programs.

How can you reach your PIC career specialist?

Visit the PIC website: bostonpic.org/youth/bps and follow the link to contact the career specialist for your high school.

What if you don't have a PIC counselor?

The Department of Youth Engagement & Employment offers an array of workshops and opportunities for young people to help them develop the skills necessary for obtaining and maintaining jobs and achieving career goals.
